

“

The kids only socialise  
with each other at  
school, there is  
nothing in the village  
to bring them  
together

parent

”

“

It seems bizarre for all of us that we live in lovely countryside but can't really walk the dogs or ourselves anywhere safely off road

survey respondent

”

“

Part of the problem is that Tealing is not a village. It has no "heart", no shops, no pub, village hall is not central- It's just an area of houses and farms.

survey respondent

”

“

Make better use of the hall providing more activities for all ages and hopefully engaging more people bringing the community together.

older resident

”

“

There are a lot of fairly simple things could be done to improve Tealing, eg. flowers in summer, better seating areas where possible

survey respondent

”

“

Feeling independent is important and it's difficult to feel that way when you have to rely on lifts everywhere

Teenager

”

“

We would like  
somewhere that's  
sheltered with seats to  
hang out with friends

Teenagers

”

“

We would like  
rainbows, unicorns and  
dinosaurs all over  
Tealing

Nursery pupils

”

“

We would like more things in the park like a twisty slide, see-saw, monkey bars, tyre swing & a pretend areoplane

P1-3 pupils

”

“

We would like more clubs  
happening in the hall or  
at the school like  
dancing, gymnastics,  
basketball, football and  
touch rugby

P4-7 pupils

”

“

Its' a nice area, people friendly, people pull together to help one another - wouldn't move from here

Farmer

”

“

Paths would be good but any near farmland would need fenced off & plenty bins for litter & dog mess

Farmer

”

“

We have the hall committee, the community council and now the TRSG - it would be good if they talked to each other & worked together
