

RECYCLED PIGGY BANK

What You Need

Plastic bottle, scissors, knife, marker pen, pink craft paper, 4 bottle tops glue, eyes, pink paint pen

2

Step 2

To make the pink band around the body place the bottle on the paper and mark with a pen or pencil the width you want the body to be.

Step 3

Using a ruler draw a line from you mark to the other end of the paper so you know where to cut.

3

4

Step 4

Using the scissors cut along the line

Step 5

In the middle of your paper draw box long ways across your paper. This will be your money slot.

5

RECYCLED PIGGY BANK

Step 6

Place your paper over your bottle with the money slot at the top. Using a pen draw around your hole onto the bottle.

6

7

Step 7

Being very careful use the knife or scissors to cut out the coin hole in the bottle.

Step 8

Glue the back of your paper and then stick it to the bottle making sure you line up the coin holes. You may need a bit of tape to hold it secure in place.

8

9

Step 9

Using the paint pen paint the bottle top to make the nose. Let the paint dry.

Step 10

On your left over paper draw 2 ear shapes and a tail

10

RECYCLED PIGGY BANK

Step 11

Using the scissors cut out your ears & tail

11

12

Step 12

With your scissors closed, hold the tail in one hand and the scissors in the other. Run the scissors down the tail to make it curl

Step 13

Glue your tail & your ears on to the bottle and add your eyes

13

14

Step 14

Using the sharpie add 2 dots to your painted lid to make the nostrils

Step 15

Glue 4 bottle tops to the bottom to make your feet.
